PROGRAM--PRESCHOOL & HALF- DAY CHILDCARE

April

## The Farm

Spring is in the air, we will dive into the wonderful world of farms. Our daycare classroom will transform into a bustling barnyard as we explore the animals, crops and daily life on a farm. From mooing cows to clucking chickens, and from planting seeds to harvesting vegetables, your little ones will learn all about the magic of farm life.

## Easter

During mid-month, our daycare classrooms will be filled with egg-citing activities, colorful crafts and joyful learning as we celebrate the Easter season. Your little ones will enjoy Easter-themed stories, songs and games that encourage creativity, problem-solving and teamwork. We'll also dive into our Easter tradition game--Easter egg hunt!

## Growing Things

We will start our classroom mini garden again by the end of this month as we explore how seeds sprout, plants grow, and flowers bloom. We will learn the importance of soil, water and sunlight, and how we can care for our environment.
